## **EC-CERTIFICATE OF CONFORMITY** **1689 – CPD – 2006 – 103 (ÜE)**

In compliance with Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of legal and administrative provisions of the Member States relating to construction products (Construction Products Directive – CPD), amended by Directive 93/68/EEC of the Council of European Communities of 22 July 1993, implemented in Germany by the Bauproduktengesetz (BauPG), last amended by article 8a of the law of 6 January 2004, it is confirmed that the construction product

### **Spherical bearings with special sliding material**

with the trade name

### **MAURER MSM<sup>®</sup> Spherical Bearing**

with horizontal sliding part for a operation temperature from -50 °C to +48 °C  
to use in building and civil engineering works where requirements on individual bearings are critical

placed on the market by

**Maurer Söhne GmbH & Co. KG**  
**Frankfurter Ring 193, D-80807 München**

and produced in the factory

**Maurer Söhne GmbH & Co. KG**  
**Frankfurter Ring 193, D-80807 München**

is subjected by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body – Materialprüfungsanstalt (MPA) University of Stuttgart – has performed the initial type-testing of the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the European Technical Approval with the number

**ETA – 06/0131**

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued of 29 August 2006 and remains valid as long as the conditions laid down in the technical specification or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

Nürnberg, 01.06.2007

Dr. Eng. A. Gerber  
Head of Certification Body
